Alamance County Local Emergency Planning Committee

Training Opportunities

- [EPCRA \(Non-Section 313\) Online Training for States, Tribes, LEPCs, Local Planners and Responders | US EPA](#)

Operation Tobacco Road

Hands-On Keyboard Technical Exercise

Join us for a five day, full-scale technical exercise dedicated to North Carolina Public Sector Cyber & IT Professionals hosted by the North Carolina National Guard Cyber Security Response Force (CSRF). Please note that there is no cost to attend, and hotel accommodations will be provided. For more information or to sign up, email operationtobaccoroad2026@army.mil.

AUGUST 17-21, 2026
OCTOBER 5-9, 2026

- Learn how to detect and identify malicious cyber traffic in a custom built virtual network
- Gain practical hands-on keyboard experience with various industry recognized tools
- Network and work with peers from around the state to hunt threats and solve scenarios through Capture-The-Flag style questions

All Hazards Incident Response Tabletop Exercise

Join us for a cyber security focused tabletop exercise simulating real-world incidents that impact emergency coordination efforts. This non-technical exercise allows participants the opportunity to evaluate response strategies, strengthen interagency collaboration, and improve overall resilience during evolving cyber scenarios. The exercise will take place on Wednesday from 9:00 AM-12:00 PM during both event iterations.

AUGUST 19
OCTOBER 7

- Work through realistic crisis scenarios that challenge decision making during cyber related disruptions
- Collaborate with multi-disciplinary teams to coordinate actions and share information under pressure
- Practice structured problem-solving while responding to evolving incidents in a guided exercise
